## The Episcopal Church responds to Haiti earthquake

### Episcopal Relief & Development

Episcopal Relief & Development is assisting those coping with quake devastation in Haiti through the ministries of the Diocese of Haiti, a diocese of The Episcopal Church.

“The agency has already disbursed emergency funding to the Diocese of Haiti to help them meet immediate needs such as providing shelter, food and water, and stands ready to support their ongoing recovery as they rebuild their ministries,” said Rob Radtke, President of Episcopal Relief & Development. “We are committed to a long-term response and recovery effort with our partners in the Diocese of Haiti. It is one of the largest and perhaps most socially engaged dioceses of the Episcopal Church with an extensive network of schools and health services.”

“Even under ‘normal’ circumstances, Haiti struggles to care for her nine million people. The nation is the poorest in the western hemisphere, and this latest disaster will set back many recent efforts at development,” said Presiding Bishop Katharine Jefferts Schori in a statement January 13. “I urge your concrete and immediate prayers in the form of contributions to Episcopal Relief & Development, who are already working with the Diocese of Haiti to send aid where it is most needed.”

To donate to the Haiti Fund, visit [www.er-d.org](http://www.er-d.org) or call 1-800-334-7626, ext. 5129. Gifts can be mailed to Episcopal Relief & Development, PO Box 7058, Merrifield,

VA 22116-7058 or left at the Cathedral. Please put “Haiti Fund” in the memo line of all checks. Donors can have confidence that 92 cents of every dollar provides direct assistance. Episcopal Relief & Development has earned the highest Four Star Exceptional Rating by Charity Navigator, meaning that ERD “exceeds industry standards and outperforms most charities in its cause.” (See [www.charitynavigator.org/index.cfm?bay=search.summary&orgid=10634](http://www.charitynavigator.org/index.cfm?bay=search.summary&orgid=10634).)

### News from Maison de Naissance in Haiti

We write to reassure you that we have made contact with our staff at Maison de Naissance in Larnage, which is approximately one hundred miles west of Port au Prince. Our staff and facility are safe!

To our current knowledge, the effects of the earthquake were minor in our area of service compared to the damage sustained in Port au Prince. There was shaking and creaking, but we are not aware of life threatening injuries or severe damage.

While we are grateful that our birthing home and staff are safe at this time, please remember that our staff has many family members and friends — and we have many friends — in the affected area. Please keep them in your thoughts and prayers.

Please feel free to share this information with others who have their hearts and minds

with Maison de Naissance.

Again, we want to reassure you that our facility and staff are safe.

# Keep Maison de Naissance close to your heart and in your prayers

In the past few months we have been reading about Maison de Naissance, our birthing center in southwest Haiti, the growing population it serves, the service it provides, facing changes caused by Mother Nature and the stress of providing quality health care free of charge.

A goal for this place where healthy mothers deliver healthy babies is that it will be fully managed and staffed by our Haitian brothers and sisters.

To attain this goal and to provide and sustain the programs and to keep the doors open we can use creative philanthropy. Some suggestions are:

- Request Singing Rooster Haitian coffee

at GHTC bookstore (currently out of stock but a sign-up sheet is available for those interested in the coffee).

- Attend the GHTC annual Chili Cook off January 23, a percentage of the proceeds goes to support MN.
- Make a monetary donation through GHTC, note MN on the memo line *or* donate directly to Maison de Naissance Foundation 6247 Brookside Blvd. Suite 224, Kansas City, MO 64113
- Host a dinner or party, run a race, bake cookies and donate a percent

**Maison de Naissance**  
a birthing home in Haiti

of sales. Involve your family, book group, coworkers, exercise class, etc

- Include the women and babies served at MN in your prayers.
- Share the MN story with cyberspace by including a link to [www.maisondenaissance.org](http://www.maisondenaissance.org) in your e-mail signature.
- In lieu of gifts place MN at the top of your wish list (birthday, anniversary, baptism, thank you, etc).

## Treasurer's Report

Nov MTD	Budgeted MTD	Actual MTD
Income	\$ 136,512	\$ 177,257
Expenses	\$ 137,654	\$ 116,295
<b>Net Total</b>	<b>\$ (1,142)</b>	<b>\$ 60,962</b>
Nov YTD	Budgeted YTD	Actual YTD
Income	\$ 1,498,544	\$ 1,541,985
Expenses	\$ 1,497,570	\$ 1,480,274
<b>Net Total</b>	<b>\$ 974</b>	<b>\$ 61,711</b>

The month of November 2009 was a very positive month both in terms of increases in pledges and plate offerings and a decrease in expenses most notably in the area of buildings and grounds. Year end contributions along with next year's pledges appear to be some of the reasons for increased income for the month. Year-to-date also reflects the positive activity during the month of November.

If you have not yet returned your pledge card for 2010, please do so as soon as possible to assist us in next year's planning and budgeting.

Defining Moments in Anglicanism: Who we are now is shaped by what we were then

Anglicanism throughout the world spread in no small part through the colonial efforts of Great Britain during the 18th and 19th centuries. The Episcopal Church is one example, but so are the Anglican provinces we find throughout South America, Asia and Africa. What are some of the defining moments in English Church history that shaped, for good or for ill, the Anglican Communion we know today, and what might be some of the historical bases for the challenges we now encounter? Join Dr. Elaine Reynolds, professor of history at William Jewell College, member of Grace Church Liberty, and long-time friend of the Cathedral, for what promises to be a fascinating exploration.

## Chili Cook-off warms hearts

"Chilly" isn't the only way to describe January in Kansas City! Try C-H-I-L-I at the 17th Annual Chili Cook-off where Grace and Holy Trinity Cathedral's best and most daring chefs offer you a taste of their creations as they compete for one of six awards — the Master of Chili, Most Unusual, Best Vegetarian, Best Presentation, Clergy Choice, Best Youth and Best Small Group Entry.

The cook-off begins at 6 p.m. in Founders' Hall Saturday, January 23. A monetary donation is requested in lieu of a ticket charge.

This delicious way to take that chill off winter isn't the only warmth the evening has to offer. For the fifth year, the best entertainment in the area is up for bid at the Silent Auction, including

- American Heartland: two Tickets to one of four musicals
- Quality Hill Playhouse: two Tickets to one of four shows from *All Aboard for Broadway*
- Lyric Opera: two Tickets for 2009-

2010 Season

- Kansas City Ballet: four Orchestra Circle Seats for Lambarena, February 25-27.

Add to these tickets to The Friends of Chamber Music, Kansas City Chorale, a stay at the Marriott, and dinner at Benton's Steak House among other treats.

But, the real warmth will come to you knowing that your bid will be part of the Cathedral's ongoing commitment to children. One hundred percent of the proceeds of the Silent Auction go to programs such as Harvesters, Episcopal Community Services, Crittenden and Kaw Valley Centers, and Maison de Naissance which provide food, medical care, foster care and small, but sometimes the most heart-warming, gifts on birthdays and holidays.

Feel the warmth, inside and out. And share it, too, with other chili-lovers and girls and boys you may never know. See you there!
