## FROM THE DEAN

### Life in the Transitions

One of my favorite pieces of Scripture comes from chapter 55:10-11 in the Book of Isaiah: *For as the rain and the snow come down from heaven, and do not return there until they have watered the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and succeed in the thing for which I sent it.*

As Christians, we believe there is power in the Word. Scripture and the words of Jesus can and do affect and change us. They gather and form the church. The words we speak about ourselves and others have power as well. We know they can both create and do harm. Whenever I recite the above words from Isaiah contained in Morning Prayer, Canticle 10, The Second Song of Isaiah, I hear myself saying “Amen” and “Amen!”

Words spoken at the right time can affect things in ways we could not imagine. This summer I believe we are seeing this at the Cathedral. Sunday by Sunday we are enlivened by a growing bunch of children in church. All those who have labored for, longed for and spoken their desire to see more of the youngest among us are seeing their hopes and prayers bear fruit with the presence of wiggly and active children racing up front to be sent to Children’s Chapel and rushing in later to take the Eucharist. In summer!

A couple of years ago, we were encouraged by the WT Kemper Foundation to submit a grant proposal to serve people. The Foundation suggested that we reach out to the growing population of young adults in our downtown neighborhood. A group of young adults convened with me and came up with a plan that led to the writing of a proposal through which we have been awarded \$250,000 over three years.

This July, Marco Serrano joined our staff as Young Adult Coordinator. Marco will be busy working with the young adult community to implement this plan for gathering and empowering this largest group of our newest downtown neighbors. This demographic group prefers walking, biking and taking a streetcar over living in car-dependent suburbs. I am excited to see what will “spring forth and grow” through this new ministry generously seeded by a grant and, again, by our prayers and hopes.

In recent weeks, I have had the privilege of attending some and following other work group meetings for implementing the first-year goals of our Strategic Plan. Seeds of hope are sprouting in the work group areas of hospitality, public relations, social justice, worship, community engagement, newcomers and ecumenical and interfaith relations. It is invigorating to see the ideas, suggestions and concerns so many of you have raised over the past several years being addressed and bearing fruit.

Over the past several months following my stroke I have been deeply moved and supported by your prayers and kindnesses. While I wish that the body movement I had a year ago had returned to me by now, recovery is taking longer than I expected. Since June I have been meeting with a discernment group to seek the best way forward in ministry for the Cathedral. The goal of our work is to present a mutually beneficial plan for smooth transition during this time. What this entails will be presented to the vestry in August. I am confident that the outcome will bear fruit sown with our hopes and prayers, and yes, our fears, too.

As August begins, the Reverend Evelyn Hornaday joins our staff as Subdean. She will share with me in the ordained leadership of the Cathedral in the coming months as we move forward always knowing that we are in transition. Evelyn is a gifted priest who loves the Lord, this Cathedral and Kansas City.

The Word is accomplishing that for which it is sent. This is what shapes us as a servant church in the heart of the city.

—Peter DeVeau, Dean

In observation of Labor Day, the Cathedral office and grounds will be closed on Monday, September 4. There will be no noon Eucharist that day.

# Treasurer's Report

## Grace & Holy Trinity's Financial Status as of June 2017

	2017	2016
Income	\$ 974,353	\$ 941,451
Expenses	\$ 859,377	\$ 799,482
Net Total	\$ 114,976	\$ 141,969

Through the end of June, the Cathedral's income was higher than in 2016 primarily due to stronger pledge receipts. However, expenses also ran higher in 2017 due to an increased Diocesan assessment and higher property expenses. The net result is that the Cathedral ran a smaller surplus through June of 2017 than through June of 2016.

This is a cause for concern because in 2016 the healthy surplus of June gradually gave way to a deficit as the the year progressed and pledge receipts slowed. It is therefore very important that parishioners prayerfully remember to make timely payments on their pledge throughout the remainder of the year.

—Chuck Ritter, Treasurer

## Outreach Appreciation

Outreach Ministries wants to recognize Pattie Phillips as the outstanding volunteer this month. Pattie has been responsible for all the activities and events for Crittenton's Children Center.

(Crittenton offers a child and adolescent psychiatric hospital, a foster care program and adoption case management.) Currently Pattie is working on the School Supply Drive which benefits both residential and foster care children. It is so important for foster children to start the school year with a new backpack filled with school supplies like the other kids in their class at school. During December, Pattie organizes a Christmas party for the residential children with treats and activities, along with a visit from Santa and Mrs. Claus, and has a special treat bag for each child in residence and in the hospital. Pattie has also been responsible for organizing and purchasing all the supplies needed for assembling the 200+ Easter Baskets that the congregation puts together each year on Palm Sunday for the children at Crittenton and KAW Valley Children's Center. Pattie also serves as a Stephen Minister.

Pattie and her family will be moving at the end of August to Texas. We will greatly miss her dedication and commitment to helping the children at Crittenton. Please be sure to wish the Phillips family the very best!

## LECTIO on the LAWN!

*Come experience the Divine Reading!*

This ancient contemplative PRAYER FORM is very comforting and pleasant. We sit with a small piece of scripture and "listen with the ear of our heart" for God's personal message to each of us. This "gentle listening" to the Word is a great way to start the day.

## Adult Forums

Sundays ✦ 9:15–10 a.m. ✦ Common Room

### Cathedral Social Outreach

September 10–October 8

#### Who Are We Helping? And how?

Here is an opportunity to learn about human need in our community and world, and our response to that need through Cathedral outreach. We will take time to learn about the people we currently serve, and become informed about new areas of outreach where we might share resources and time. For three Sundays in September, Young Adult Coordinator, Marco Serrano, educates on the issue of Human Trafficking both in Kansas City and beyond. We'll look at ways in which we can address this widespread problem. Later in the month and into October, representatives from Jewish Vocational Services, HappyBottoms and Sheffield Place talk about their work and our role in assisting to address needs among marginalized populations in Kansas City.

#### A Christian Response to Human Trafficking: with Marco Serrano, Young Adult Coordinator

As many of you may know, before discerning a call to ministry I worked as an attorney in New York with an emphasis on international law. One issue in particular that has been close to my heart for several years now is the scourge of human trafficking, which is the forced transfer of persons, often across international borders, for the express purpose of exploitation—most commonly forced labor, slavery and/or sexual exploitation. And so, beginning Sunday, September 10, I will be leading a three-part 9:15 a.m. Adult Forum in the Common Room that will explore both the recent rise of human trafficking and possible strategies for helping to bring it to an end. My hope is that it is an informative and challenging time of learning about an ongoing issue that is relevant to Christians everywhere. Questions? Email [mserrano@kccathedral.org](mailto:mserrano@kccathedral.org).

I hope to see you there!

## God, Evolution and the Unfinished Self

Monday Evenings, Sept. 11–25 and Nov. 6–Dec. 11

7:15–8:30 p.m. ✦ Common Room

We usually think of the self as a finished product, created once and for all; however, science is showing us that nature is endowed with

creativity and openness to new forms.

We will explore the unfinished self in light of evolution with a view toward the future and the emerging body of Christ.

## Welcome Newcomers

Sunday, September 10 ✦ 11:30 a.m. ✦ Founders' Hall

We want to welcome all who are new to us at Grace and Holy Trinity. We invite you to join us in the following ways:

**Coffee Hour**—We invite all visitors, guests and new members to join us for refreshments and fellowship each Sunday following the 8 and 10:15 a.m. services in Founders' Hall. This can be a great way to meet new people.

**Newcomer Gatherings**—If you are new to us, we hope you will join us for one of our upcoming Newcomer Gatherings. Our next gathering will be on **Sunday, September 10, following the 10:15 a.m. service**. We will meet in the room near the windows in Founders' Hall. This is a time to meet other newcomers as well as members of the Cathedral and clergy, in a relaxed, informal setting. It's also an opportunity to learn more about Grace and Holy Trinity, to ask questions and to enjoy refreshments and fellowship.

**Parish Activities**—Newcomers are always welcome to join us for any of our parish and community service activities or classes.

We invite you to complete a Welcome Card, found in the pews, so that we may keep you informed of events and activities happening around the Cathedral. For more information, please contact Canon Christy Dorn, ([cdorn@kccathedral.org](mailto:cdorn@kccathedral.org) or 816.474.8260). You may give the Welcome Card to an usher, member of the clergy, or place in the offering plate.

*Welcome new friends—you are a blessing to us!*

# The Way

Wednesday Evenings, Beginning October 11

6-8 p.m. ✦ Founders' Hall

All who seek to know more about what it means to follow Christ and grow spiritually are invited and encouraged to take part in The Way. Persons new to the Cathedral, persons desiring to know a more generous and inclusive Christianity, and those who know little or nothing about Christian faith and living are invited on the journey.

The Way meets most Wednesday evenings from October through May (only once in December). Breaks are taken at Thanksgiving and the weeks preceding and following Easter. You can find all meeting dates in the Cathedral calendar on the website. Each evening includes:

- 6 p.m. Dinner and conversation: A home cooked meal is served. (Free! No need to cook on Wednesdays.) There is always a "Table Question" related to the evening's topic. These questions often stimulate lively conversation
- 6:30 p.m. Interactive learning: Christian beliefs, ideas and practices are introduced. These give rise to questions, sharing of experiences and reflection within the group. Questions are always welcome at The Way.
- 7 p.m. Bible Sharing: Groups of about seven persons break out to consider the gospel passage from the prior Sunday gospel reading using an ancient method called lectio divina. A table leader leads the group in listening to the passage and sharing what each hears as the gospel is read.
- 7:50 p.m. Compline: All gather to conclude the evening with this service of prayer at the end of the day. Any news concerning scheduling and upcoming events is shared.
- 8 p.m. Dismissal: The Way ends on time in consideration of those who have early mornings.

The main goal of The Way is to provide participants with good practices and sound information for a meaningful life in Christ and Christian journey. Some are prepared for baptism at Easter. Others rediscover and renew their understanding of what it means to be baptized. Persons baptized in different Christian traditions add to their understanding through encountering the depth and riches of the Anglican Christian tradition.

The Way is open to all persons eighteen and older. All who seek to follow Jesus are welcome. Whether one has been around church for a long time or is finding the Christian path for the first time, you are welcome to The Way.

The Way is led by a team of Cathedral persons who themselves have taken part in this process. Primary teachers are Peter DeVeau, Dean, and Marco Serrano, Young Adult Coordinator.

If you would like to know more about this and have questions, contact Peter DeVeau, Dean, [pdeveau@kccathedral.org](mailto:pdeveau@kccathedral.org) or Marco Serrano, Young Adult Coordinator, [mserrano@kccathedral.org](mailto:mserrano@kccathedral.org).

## About The Way

The Way is our take on the Catechumenate, the ancient practice of preparing for baptism dating back to the early centuries of the Christian Church. It has to do with verbal instruction. It is rooted in the word used for teaching and teacher in the Letter of Paul to the Galatians 6:6—*Those who are taught the word must share in all good things with their teacher.*

## Stephen Ministry: The "After People"

People often ask, "What exactly is a Stephen Minister?" One way to put it is that Stephen Ministers are the "After People."

Stephen Ministers are there:

- after the phone call you hoped you'd never get.
- after the divorce papers are served and the bottom falls out of your life.
- after the funeral, when everyone has left and the emotions you've held at bay come crashing in on you.
- after the doctor says, "I'm sorry, but there's nothing more we can do."
- after the nursing home director shakes your hand and says, "Welcome to your new home."
- after the last child honks the horn, waves and drives away—and the house suddenly seems empty.
- after the gavel goes down, the handcuffs go on and your loved one is led away.
- after the baby arrives, demanding more of you than you ever dreamed possible.
- after you find a pink slip with your final paycheck.
- after your family and friends have heard your story one too many times, but you still need to talk it out.

Stephen Ministers are the "After People." They are ready to provide comfort and support for as long after as needed. GHTC is a Stephen Ministry congregation and we are here for you. Please contact Canon Christy Dorn, 816.474.8260, or Karen Kissinger, 816.210.0302, to learn more about Stephen Ministry. All calls are confidential.

## Let Us Give Thanks for the Summer

He has raised the flowers  
 From the parched earth  
 And scattered the green  
 Throughout the land.

Joyful is the morning  
 In the freshness of the air  
 We join our prayers  
 With the singing of the birds.

In the nearest pool  
 We take refuge from the heat  
 The flow of the currents  
 Rush through the softness  
 Of our fingers.

Some nights give us pause  
 We tremble at the roar of the thunder  
 And brace ourselves against the  
 Torrents of rain.

But soon comes the daybreak  
 And He rolls back the clouds  
 His face shines upon us  
 And we are at Peace.
