

Announcements for the Week of June 16, 2019

From me to you ...

The Feast of Pentecost ranks pretty high for me! All the red! All the babbling! All the food! The baptisms! And, for us this year, the beauty of our windows! So much to enjoy and delight in, so much to be thankful for. So, here goes, in no particular order:

Thanks to all the people who organized such a fabulous picnic. Donna Knoell did a super job of getting you to bring food, to cook such great brats and hot dogs, to set the tables and to help clean up afterwards. It really does take a village, as they say, and we are a wonderful one! Thank you, thank you.

Thank you to the Building and Grounds Committee for spearheading the restoration of our stained glass windows. And to all the people who have loved and cared for them through the years. They are a particularly beautiful asset to our Nave, and we are blessed to have them.

Thank you to Randal Loy for his love of all things GHTC. He wrote the lovely prayer of rededication of the windows. It was so meaningful and heartfelt. It can be found directly below my message.

And finally, thank you for the way you worship our Lord in the beauty of the holiness that abounds here. You are a gift to me each time you come to mind, and you are a gift to each other.

So ... I'll see you in church Sunday!!!

Mrs. Evelyn

Prayer of Rededication

Heavenly Father, Creator and Master of the Universe, on this festal day of Pentecost when you gave us the Gift of the Holy Spirit, we come to reaffirm the dedications of the glorious stained glass windows in this Cathedral. We ask that you bless the souls of those who are honored in these windows, the men and women who designed them, those who fabricated the windows and all their living family members. We ask a special blessing on those who patiently labored to restore these windows to their original glory, and we commit ourselves to be faithful stewards of these important works of art. We thank you for all your many gifts to us, and the beauty of stained glass that radiates with the light and warmth of the Holy Spirit. Amen.

Did You Know?

Fun Fact about the Saint John's Bible

Ever wonder what happened if one of the calligraphers made a mistake when writing on the vellum? It certainly couldn't be fixed by spell checking or by tossing the page away! When 12th century scribes made a *small* error in the written text, the options were to ignore it, simply cross it out and continue writing, or use a pumice stone to polish the surface and rewrite the words.

When an entire word or line was accidentally left out, the artistic way of handling the omission had to be used. One method used by scribes indicated the placement of the missing line with a small "sign of return" or "signe-de-renvoi" placed in the margin. This small graphic symbol, often something humorous or decorative, would mark where the correction or insertion was to be made and it would be connected to the missing line that was inserted at the bottom of the page. In the Saint John's Bible, errors of omission were handled in the same manner. Out of all the hand-written pages, an omitted line happened on only eight of those pages!

Garden Guild

The beauty of the Cathedral grounds had been lovingly maintained for more than a decade by the late Gerry Reynaud. We want to carry on his legacy by forming the Garden Guild. The Garden Guild is a volunteer group of dedicated parishioners who have an interest and desire to give of their time, labor and talent to the beautification of the entire campus by clean-up, maintenance, planting, watering, weed control, trimming and manicuring our property. If you are interested in being part of digging in the Cathedral dirt, contact Ric Sweeting, ricsweeting@gmail.com.

Summer Hospitality Hosts Needed!

Help us continue the hospitality offered at the Cathedral coffee hours during the summer. A sign-up sheet is located in Founders' Hall. Contact Julie Brogno at childrensformation@kccathedral.org with questions. Your help is appreciated.
