

## Announcements for the Week of June 23, 2019

### *From me to you ...*

---

As I sit by my window pondering the force of the wind and rain that's taking over this early summer morning, I wonder if the strength of the Holy Spirit has been forced out of her gentle nook of love and care. I wonder if the rain—God's cleansing tears of healing—will overwhelm the very prayers I offer for the brokenness of a world afraid and in terror. I wonder so many things about the way we barrel our way through life, through our sense of righteousness, through our sense of entitlement in a world where war seems an appropriate answer to bluster from others. I wonder ...

Then, I am surprised by the small bird, unimpressive in its dull color, that flies out of the flowered wreath hanging on my door. Life! God's little one daring the elements to overwhelm, showing its delight in being alive in the world God has made. How such a moment brings me back to all that is right in my world—beauty, joy, love, caring, compassion—and YOU, dear ones who pop out of your comfortable places to show the rightness of God's glory. YOU who bring the Sunshine into my life and who, like the little bird I just saw, remind me that God will always come through the clouds and rain to show us the Way.

Maybe there's a little bird in your life?

*Mrs. Evelyn*

## Fun Fact about the Saint John's Bible

Since the original pages of the Saint John's Bible have not yet been bound together, The Saint John's Bible Heritage Program has made it possible for institutions around the world to experience the artistic and spiritual beauty of the Bible. Due to the creative leadership of Donald Jackson, the artistic director of the original manuscript, the Heritage Edition is a work of art in its own right. Leading manuscript experts around the world have recognized it as the highest quality reproduction ever made.

### Garden Guild

The beauty of the Cathedral grounds had been lovingly maintained for more than a decade by the late Gerry Reynaud. We want to carry on his legacy by forming the Garden Guild. The Garden Guild is a volunteer group of dedicated parishioners who have an interest and desire to give of their time, labor and talent to the beautification of the entire campus by clean-up, maintenance, planting, watering, weed control, trimming and manicuring our property. If you are interested in being part of digging in the Cathedral dirt, contact Ric Sweeting, [ricsweeting@gmail.com](mailto:ricsweeting@gmail.com).

### Summer Hospitality Hosts Needed!

Help us continue the hospitality offered at the Cathedral coffee hours during the summer. A sign-up sheet is located in Founders' Hall. Contact Julie Brogno at [childrensformation@kccathedral.org](mailto:childrensformation@kccathedral.org) with questions. Your help is appreciated.
