# FROM THE WARDENS

It has been an honor to serve as wardens this past year. As we look back, there are a number of accomplishments, gained through the hard work of Cathedral clergy, staff, and laypersons, that have benefitted the Cathedral, including:

- hiring a Youth Minister;
- hiring a part-time Children's Music Director;
- training Stephen Ministers;
- continuing the success of The Way;
- repairing the courtyard;
- repainting and repairing the wrought iron fencing and gates;
- cleaning the exterior of the campus buildings; and
- replacing the exterior lighting.

2015 was a much more stable year financially for the Cathedral. 2014 saw a budget shortfall, requiring cuts in programming. We rebounded in 2015 by meeting our pledge target and keeping expenses down. In 2016, we hope to continue this upward trend. We still need to expand our pledge base and reduce our reliance on the endowment. To accomplish this, we

are working to attract more parishioners – while making sure that we're doing what we can to keep the parishioners we have. Our finances were such that we were able to hire a Youth Minister in 2015, but we still need to bring on a third priest and a Parish Life Coordinator to help us grow.

On the governance side, we took an important step by agreeing to incrementally reduce the size of the Vestry, which was simply too large and unwieldy. There are a number of other revisions to our governance procedures which will come before the congregation in 2016. The Vestry is also in the midst of working out a strategic plan for the Cathedral. These matters will require the input and participation and support of the congregation.

As we said last year, we're on the right track, and we continue to move forward. Thank you for your support in 2015, and thank you for all you do to make the Cathedral such a special place.

*Mark Galus, Senior Warden  
David Barker, Junior Warden*

# FROM THE DEAN

## Exercises for Growth

Among life's small miracles are the sure benefits of small steps. When I broke my right elbow many years ago in a bicycle accident, it was a regimen of repetitive small, easy exercises that helped restore normal functioning in my arm. At the time the regular encouragement of a wise therapist echoed the emphatic advice of the orthopedist, "Those exercises pay rich dividends!"

A young couple who were married at the Cathedral this past year did their marriage preparation at a thriving Episcopal church in the Southwest. As I got to know them prior to the ceremony here in Kansas City, they shared with me some of the materials they received as part of their preparation. One of the pieces that they shared was a brochure on membership in their new congregation.

This brochure for new members impressed me with its clarity. It outlined the four ways in which one actively participates in the life of that congregation. They apply to any community gathered in Christ. I share them here with my own commentary about our life together in the past year. May they also guide each of us in the coming days.

**Worship** *Participate in the Eucharist every Sunday unless I am sick or out of town. While traveling, members are encouraged to attend local services.*

Post-holiday wintertime is one of those personal open enrollment times to get started with paying attention to diet, exercise, time management, and a wide range of goals. One of the goals that I hope we can adopt and share as a community is to be more faithful at worship. It's the main work of the church. It informs and empowers all else we do. Hearing the Scripture, listening to sermons and teachings, praying for the church and the world, and taking the Eucharist help us embody a wholeness, a peace that world cannot give. It is said that churchgoers live longer and are higher up on the happiness scale. My own observation is that lives in which worship is central hold up better, for better for worse! Let's plan to be in church whenever we're well and in town.

**Get Equipped** *Participate in at least one sustained program each year, apart from worship, aimed at helping me grow in my faith.*

One of the delights on my ministry here are Wednesday evenings. When I move through our buildings on Wednesdays the place is alive with activity: The Way in Founders' Hall; Christian spirituality groups in Haden Hall; Choir rehearsal in Haden Hall; Youth Group in the Youth Room. At the Cathedral formation happens throughout the week: Centering Prayer on Mondays. Men's and Women's Bible Studies, and Stephen Ministry meet on Tuesdays. Choirs on Thursdays. Children's Formation, Children's Choir, and the Dean's Forum on Sundays. Formation happens at special workshops and other events on weekdays and weekends. My hope is that our desire for Christian formation will grow and opportunities expanded. Perhaps as Lent approaches there is some formation waiting for you?

**Serve** *Give my time in Christian service to the parish and annually through participation in a parish sponsored event.*

This past November and again in January outreach ministry has been featured at the Dean's Forum. For those who find a spiritual home at the Cathedral and for those who are seeking a lively community of faith, active local and global outreach is essential. It's what makes a church credible. There is an increasing desire for "hands on" outreach and an expectation that not all our resources will be used on ourselves.

One of our goals must be to become more directed at recruiting and training our members for outreach. Matching and connecting our volunteers with various helping ministries must be more intentional. With God's help we may yet be able to employ a person whose main work is to deploy all of us in God's work beyond Sunday mornings and our Cathedral campus. In the meantime, what might you help with this year?

**Give** Give financially in proportion to my income with the goal of tithing.

The bottom line does matter. Jesus does the most talking about money. Sometimes at church we forget this. I am grateful for the men and women whose many and generous gifts form a legacy that sustains our ministry today. Those endowments allow for our continuing presence on this beautiful piece of real estate in downtown Kansas City. However, our ability to do ministry depends on what you and I give of our resources, not only the gift our time and skills.

You are needed to do great things. Martin Luther is said to have spoken of three conversions: conversion of the heart, conversion of the mind, and conversion of the purse. The most difficult of these is conversion of the pocketbook. Personally, Mary and I have worked to become tithers for the spread of the reign of God. I would encourage each of you to do the same as you are able. If you have not yet made a pledged commitment of support for the Cathedral in 2016, I urge you to do so.

Our life together at the Cathedral is built by God's grace through worship, formation, outreach, and the offering of our resources. In the past year we have seen growth in each of these areas. There is more to come in 2016. We are blessed to have set aside designated gifts and other funds to allow us to pay the salary and benefits for a third priest to work primarily with young adults and outreach. We hope to find the right person to lead this area of missional work for the future sustainability of this congregation.

Know that I am grateful for each of you and what your lives mean to the life of this cathedral church. You are constantly in my thoughts and prayers. Please keep me in your prayers.

In the first quarter of this year your input is being sought by the Vestry to develop a strategic plan for ministry. I hope we all can approach this from the sure footing of the best practices that make us church: Worship. Formation. Outreach. Giving. Small steps do yield rich blessing.

Faithfully in Christ,

*Peter DeVeau, Dean*

# VESTRY NOMINEES

## Tara Bennett

I am currently employed as chauffeur, appointment scheduler, education consultant, chef and volunteer. I have been a member of the Cathedral for 5 years total, but I've been coming off and on to the Cathedral since the 80s and was married there in 1998. I serve on the Vestry, Children's Chapel, Christmas Pageant, 4<sup>th</sup> Sunday Coffee Hour, Blessing of the Animals, Advent Festival and as a member of the Stewardship Committee.

I have served on the Vestry of 3 separate churches, including GHTC. At St. John's, Georgetown, I was volunteer chair of the country's oldest homes tour for several years, plus my Vestry position entailed heading up Young Adult ministries. At St. Christopher's, Kailua, I served on the Vestry on the Service team, our team overseeing all of the service to others projects both within and external to the church. I also served on the Rector Search Committee and helped call a new rector. I was Station Chair and Chairman of Volunteers of the American Red Cross, Giessen, Germany. I have led Girl Scouts for 9 years and been on the board or a committee chair of numerous organizations in different locations, including the Junior Leagues of Washington, Tacoma, Kansas City and Honolulu and the Vicenza Community Club, plus, of course, PTA and other youth organizations. Prior to the birth of my oldest, I worked in international trade promotion for the State of Virginia, helping tech-sector companies develop export and marketing plans and leading trade missions to foreign countries and trade shows. Prior to our move overseas, I also taught international business, international politics and American government for the City University of Seattle, both in the classroom and online.

Our mission says it best, "A Servant Church in the Heart of the City". My vision Grace and Holy Trinity is a church with vibrant programs and a welcoming environment for all ages and a diversity of people, ethnically, politically and socioeconomically. It should represent the vibrant heart of Kansas City, and be a beacon both for those established in the city and those new to it seeking a place to connect and find a community. It should serve not only our members, but the greater community, through social outreach, a second-to-none music ministry, and as a welcoming gathering place where all can find a "home."

The three best words that characterize my strengths are organized, passionate, innovative.

## Ted Derrick

I am a Jayhawker (Kansas native) who migrated to Kansas City, MO 37 years ago. I have been a member of the Cathedral for 2 years. I participated in The Way with 100% attendance! I am a two time retiree serving as a public educator and public librarian. Throughout all 34 years of my education employment, I served on several leadership committees. While serving a 7.5 yr. tenure within the public library sector, I managed an annual \$1.5 million budget. Additionally, I am detail orientated, adept at both short-term and long-term planning. Other leadership qualities attained throughout my professional careers includes budget analysis, collaboration within a 1-to-1 setting as well as a large group setting, inventory control and processing within facility management, and have developed strong communication skills. I am a listener as well as a doer. I am an avid Kansas City Symphony and theater league supporter. My vision for Grace and Holy Trinity Cathedral is to provide community needs to all church and community populations. The three words which best characterize my strengths are team-player, organization and patience.

## Jackye Finnie

I've been a member of Grace and Holy Trinity Cathedral for 47 years. Over this period, I have engaged in several ministries, including Vestry member, Altar Guild, Children and Youth Formation, Education for Ministry, Eucharistic Ministry, Kansas City Community Kitchen and Meals on Wheels.

My leadership experience outside the church, from a job-related point of view, is in motivating and inspiring others to perform at their maximum potential. It dictates that communication and feedback with the group on results, issues and decisions. Leadership creates a two-way communication between leader and group.

As for my vision for Grace and Holy Trinity Cathedral, I love the church's involvement with outreach, both internal and external. I would love to see an expansion of this. Additionally, I see a need for more communication with the college students while they are away at school. I'd like to see the church membership grow in terms of families and single individuals. I'd like to see activities planned specifically for the aged among us. In essence, my vision for the Cathedral is to grow and serve with love.

The three words that best characterize my strengths are problem-solver, communicator and visionary.

# VESTRY NOMINEES

## John Hornbeck

Sandra and I have been active members at the Cathedral for more than 25 years. During my years at this, my spiritual home, I have been a member of the Social Outreach Committee, a participant in Men's Bible Study, a Lector and Eucharistic Minister, an acolyte, a Eucharistic Visitor, a volunteer for the bookstore and in adult education, and of course a member of the Vestry. I am also a graduate of the 2005 class of Education for Ministry.

During an extended illness in late 2014, I learned first hand the importance of pastoral care and the value of warm friends in a community such as the one that we enjoy at Grace and Holy Trinity Cathedral, for which I thank you. Although I had to significantly curtail activities for the better part of a year, my now clean bill of health has permitted me to once again become extremely active in the greater Kansas City area on multiple fronts regarding under-served and low income communities. This includes programs related to community health including healthy eating and increased physical activity for communities that frequently lack ready access to those critical lifestyle factors. I am active in multiple Healthy Communities Wyandotte initiatives and am a communications committee chair on the Healthy Lifestyles Community Council based out of Children's Mercy hospital. I have also recently been contracted as the Project Manager for a Wyandotte County Health Department program focused on increased physical activity for children and seniors. I continue as a member of the Board of the Homeless Services Coalition of Greater Kansas City, am a member of the advisory Board for After the Harvest and their communications chair, and a member of the steering committee for the Greater Kansas City Food Policy Coalition including being on the bi-state Grocery Access Task Force. Among other things, my involvement in these and other organizations provides an opportunity to function as an informal liaison between the Cathedral and social service activities in Kansas City, especially in the downtown, and nearby midtown and Wyandotte County areas.

As for my vision for Grace and Holy Trinity Cathedral, first and foremost, I would hope that more people would discover what I have found at the Cathedral in that spiritual home with a warm and welcoming community. I would also like to see the Cathedral grow as a source of continuing leadership in social outreach and justice in Kansas City, including expanded volunteerism. I continue to be prayerful that we see the face of God in all of those around us, and actively work for social justice in our communities. Closely related to this, I would like to see the Cathedral become

increasingly and actively involved in the dynamic growth of our downtown neighborhood and immediately surrounding communities. In my opinion, this requires a more active outreach to the greater Kansas City area by more effectively telling our stories.

## Milton Tootle

I have been a pledging member since 2007 though we attended a while before that. I have been honored to be allowed to serve as a Lector, as a Eucharistic Minister and – when and as needed – as an Usher. I am in training as a Stephen Minister at this time.

My experience in leadership as a volunteer includes:

Treasurer & Executive Board Member, Kansas City Chapter, Society of Former Special Agents of the Federal Bureau of Investigation

Director, United Way of Greater Kansas City

Member, Metropolitan United Ways Consolidation Steering Committee

Member & Chairman, Northland United Way

Member, Heartland Health System Ethics Committee

Member, Saint Luke's, North, Ethics Committee

Director, InfraGuard Membership Alliance, Kansas City Chapter

Steering Committee Member, Success by Six, St. Joseph United Way

Director, Mid-America Council, Girl Scouts of America

Because we are not a traditional "neighborhood" church, we must find ways in which we can become, first, a magnet to draw folks, to induce folks, to attract folks to make the drive – not just on Sunday mornings – necessary to become actively involved with the Cathedral. Once we accomplish that task, we can use the naturally-resultant area-wide footprint to provide broad-based leadership in the community.

The three words that best characterize my strengths are listen, think and learn.

## SPECIAL MEETING OF THE MEMBERS

### Sunday, December 20, 2016

### Founders' Hall

Mark Galus, Senior Warden, called the meeting to order immediately after the conclusion of the 8:00 am service. Galus explained the proposed bylaw amendment to incrementally reduce the size of the Vestry from 21 elected members to 12 elected members by 2018. Galus invited members present to speak for and against the amendment. After the speeches for and against, members present were invited to vote. Jeff Debacker, Clerk, conducted the election. The ballots were counted by Debacker and Terri Curran. The special meeting was then recessed until after the 10:15 am service.

Galus reconvened the special meeting immediately after the conclusion of the 10:15 am service. The Dean led the gathering in an opening prayer. Galus again explained the proposed bylaw amendment to incrementally reduce the size of the Vestry from 21 elected members to 12 elected members by 2018. Galus invited members present to speak for and against the amendment. After the speeches for and against, the question was called, and members present were invited to vote. Debacker conducted the election. The ballots were counted by Debacker, Curran, and Joe Finnie. Out of 77 ballots cast, 68 voted in the affirmative, and 9 voted in the negative. Because more than 2/3 of the members present voted in the affirmative, the amendment was approved, and the bylaws were amended. Galus then adjourned the meeting.

Faithfully submitted,

Jeffrey P. Debacker, Ed.D.  
Clerk of the Vestry
