## FROM THE DEAN

### It's good to have a mission

When there's a mission, things happen. Three years ago the Vestry made a decision to designate part of the Easter offering for outreach. Fifty percent of all non-pledged income received in the offering plate Easter Eve and Easter Day would be divided between a local and a global ministry. This was announced at all services. The congregation responded resoundingly. The total offering of plate cash and non-designated checks that year was double that of the prior Easter!

The past two years the "plate" offering received at Easter increased from that initial doubled figure by roughly \$1,000 or better each year. This Easter a total of \$10,290 was received. Since that first Easter offering designation, the Vestry has increased the amount to 60 percent designated for outreach. This means that gifts of over \$3000 were sent to both Episcopal Relief and Development (global emergency relief), and to Rose Brooks Center (domestic violence) in Kansas City this Easter. The Cathedral netted the remainder for its mission. The added bonus this year was that about \$500 of funds received came through online giving (we've also made that easier through use of a QR code).

*Thank you to the Vestry and thank you to people and friends of Grace and Holy Trinity Cathedral for proclaiming Easter good news through your generosity in giving!*

Essentially, the Easter offering is not just for us. Nor are the offerings received at Christmas when there is a similar split of funds. The larger part of our giving on those days serves human need around the globe and at our doorstep. Through these efforts the Vestry, advised by the Social Outreach Commission, mobilizes each of us to give liberally. Giving is one of the marks of a community alive in Christ.

What is clear is that generosity and participation increase when a church community has a specific mission. As I see the Cathedral and its role in the life of this city and that of the greater Church, all that we do is rightly an act of mission and service. As the Cathedral church for the Diocese of West Missouri, a congregation at the heart of greater Kansas City, and as a local church for a growing downtown population there is mission all around us.

I invite you to consider how you fit into the mission of this place. Think over, imagine, and pray about what this church can do. Take time to identify challenges, name hopes, and dream dreams. I can assure you that I will do the same. I have a feeling that the more we adopt a "missional" approach to our life together that there will be more than a doubling of what we can do. Where there's a mission things happen.

In the name of the risen Christ,  
Peter

# Reaching out in mission & service

## Volunteer for the House of Abraham

- **Construction Help:** Volunteers are needed for the interfaith Habitat for Humanity project “House of Abraham.” This year the project entails the restoration of a home at 2928 Wayne, Kansas City, Mo. Volunteers are needed for all kinds of carpentry work. Build days run Wednesdays through Saturdays, with the plan to complete the project this summer (July or August). The volunteer coordinator, Eason Bond, can be contacted at [ejb3@kc.rr.com](mailto:ejb3@kc.rr.com).
- **Provide Meals:** We are also looking for volunteers to help cook and/or deliver a meal one or more weekends this summer for the volunteer workers. Please contact Joyce Morrow [jemorrow@kc.rr.com](mailto:jemorrow@kc.rr.com) if you would be willing to help with the meal preparation.

## Food for St. Mary’s Church Food Pantry

Celebrate Father’s Day with your June donation to the pantry at St. Mary’s. Please bring some of Dad’s favorites like canned beans, “beanie weenies,” canned tomatoes, fruits, ketchup, mustard, barbecue sauce, salt, pepper, biscuit mix, pancake mix and syrup and other non-perishables (no glass containers, please) to the large basket June 8.

## Birthday Presents for Foster Children

Please consider making a donation on your birthday to purchase gift cards to be given to foster children who typically do not receive any birthday presents. We donate \$25 gift cards to Crittenton to purchase gift cards to retail outlets of the child’s choice. Let us help make their birthdays a little more special!

## Christ Church children’s choir to sing at the Cathedral

Sunday, June 1, 10:15 a.m.

The Saint Cecelia Choir of Christ Episcopal Church, Springfield, under the direction of Rachel Murad, assists with worship on the Seventh Sunday of Easter. This choir sings every Sunday at the 9 a.m. service during the school year at Christ Church. We are pleased to welcome them to the Cathedral as they enjoy their annual spring choir trip, this year in Kansas City!

## Birthing home in Haiti

Maison de Naissance is entering its second decade. Since 2004, over 74,700 babies have been delivered there and many other services have been provided to families in the area. This year as a result of improved roads, transportation, and communication, patients will be referred to the local public hospital for labor and delivery. This will enable the Global Birthing Home Foundation to focus resources on family planning and community-based care before and after delivery.

You can be part of supporting the work in Haiti. Give online at [globalbirthinghomefoundation.org](http://globalbirthinghomefoundation.org) or mail a check to Global Birthing Home Foundation, 5000 W 134th St, Leawood, KS 66209. A gift of just \$10 a month for one year will fund the delivery of one healthy baby.

## Treasurer’s Report

March saw a modest rebound in Pledge and Plate collections after a slow start to the year. However, the poor weather that probably held the collections down earlier in the year also led to higher than budgeted expenses in Property and Utilities for the month of March as the bills arrived for heating and snow removal. All in all, the first quarter is normally a tough financial quarter for the Cathedral and this year was no exception. The Cathedral depends heavily on Income from the Endowment and an annual bequest from the Kemper Foundation. The significant amount of non-Pledge Income needed to balance the Budget creates a mismatch between Income and Expenses in the early part of the year.

Feb. MTD	Budgeted MTD	Actual MTD
Income	\$ 94,850	\$ 100,024
Expenses	\$ 136,882	\$ 141,105
<b>Net Total</b>	<b>\$ (42,032)</b>	<b>\$ (41,081)</b>
Feb. YTD	Budgeted YTD	Actual YTD
Income	\$ 337,801	\$ 350,830
Expenses	\$ 422,492	\$ 426,771
<b>Net Total</b>	<b>\$ (84,691)</b>	<b>\$ (75,941)</b>

If the Cathedral is to fulfill its mission, it vitally needs more support from its current members and less reliance on the contributions of deceased members. If you have not already done so, please prayerfully consider making a Pledge for this year. Pledge forms are available by calling the office or online through the Cathedral’s website.

# Palm Cross making

## In the Next Pew

*"In the Next Pew" is a regular column to help parishioners match names with the faces they see in the pews around them.*

Bob and Tara Bennett, along with their children, Caroline, Ryan, and Patrick, are world travelers who seem to always make their way back home to the Cathedral. Bob's position as a Lieutenant Colonel in the Army has allowed the family to live in Germany, Washington, D.C., Tacoma, WA, Hawaii, and most recently Italy. But several of the family's important milestones were celebrated at the Cathedral: Tara and Bob were married here in 1995, and Patrick was baptized here in 2008.

Tara says that the Cathedral appeals to them because the congregation is made up of people from around the metro area who come because the church really means something to them not just because it's close to where they live. They also appreciate the "beautiful and uplifting music" and the "outreach and involvement in the life of the community." The support of their Cathedral "family" has also been important, especially when Bob was deployed to Iraq and Tara was juggling caring for newborn Patrick, the twins, and preparing to move to Hawaii for Bob's next assignment.

The Bennett family is happy to be settling down for the long-term in Parkville, near Tara's parents and brother, and in driving distance from their extended family in Oklahoma. Tara grew up in Parkville, and Patrick attends kindergarten at the same elementary school his mother did. Caroline and Ryan are in middle school in the Park Hill School District. Besides traveling, the family enjoys outdoor activities, spending time with family and friends, and attending sporting events together.
