Grace and Holy Trinity Cathedral • Kansas City, Missouri

Vol. 78, No. 2 • February 2009

## FROM THE DEAN

Jesus said, "Therefore I tell you, do not be anxious about your life, what you will eat or what you will drink, or about your body, what you will wear. Is not life more than food, and the body more than clothing? Look at the birds of the air; they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? And can any of you by worrying add a single hour to your span of life?"

"Therefore, do not worry, saying, 'What will we eat?' or 'What will we drink?' or 'What will we wear?' For it is the Gentiles who strive for all these things; and indeed your heavenly Father knows that you need all these things. But strive first for the kingdom of God and his righteousness and all these things will be given you as well." (*Matthew 6:25-27,31-33*)

Matthew's Gospel includes these words as a part of Jesus' Sermon on the Mount. I guess I have often imagined the setting for that sermon as a gentle hillside, lush with grass and wildflowers, the sun bright and the temperature mild, with a cool breeze causing the grass to wave ever so slightly. Most likely this picture in my mind was influenced more by the scene in *The Sound of Music* of Julie Andrews and the Von Trapp children playing and singing in the mountain meadow than by the reality of the Galilean countryside. Matthew sets forth the Lord's teachings, but we are left to wonder what life was like at the moment these words were first spoken. Even if it was a time of year when the hillside was lush and it was a gorgeous day to be gathered with

thousands, what else was going on? Had the crops been devastated by drought or wiped out by insects or blight? Had the occupying army recently respond to a protest by viciously wiping out a village and its inhabitants? Had the governor imposed new oppressive taxes which many could not afford, causing shops to close, homes to be confiscated, and debtors thrown in jail while families were destroyed and left homeless? Were the religious leaders calling people to trust in God, pray faithfully, and remain committed to the Covenant and the teachings of the prophets, or were they more concerned with cooperating with civil authorities? If any of these circumstances were in play, the words from Matthew's Gospel sound different: "Do not be anxious ... Seek first the Kingdom of God."

Anxiety is an automatic reaction to a threat, real or imagined. It can protect us from potential risk and harm. At an elevated level, however, anxiety can be a paralyzer (the word *anxiety* is derived from a word meaning "to choke" or "to cause pain by squeezing"). If intense and prolonged, anxiety can have a strangling effect on the body, on the soul, and in our life.

In the remaining portions of the Sermon on the Mount according to Matthew, Jesus goes on to teach his disciples not to judge, to pray, to rely on God's love, to do to others as you would have them do to you, and to weather life's storms by building their lives on the sure foundation which is God. These are teachings that help us build our faith and avoid anxiety's paralyzing effect. "Seek first the Kingdom of God."

*Faithfully yours in Christ, Terry+*

## Haiti has worst maternal death rate in western hemisphere

When a woman prepares for the birth of her child in the United States, little consideration is given to the risk of dying in childbirth. That reality faded from the American consciousness and only shows up in old cowboy movies, or period dramas.

Currently maternal death during childbirth is .01 percent in the U.S. In Haiti, the risk is 8.3 percent, the worst in the Western hemisphere. Death occurs from infection, obstructed labor, placenta previa or eclampsia. The risks

of maternal death are so high due to lack of assistance in childbirth, a home with no running water, electricity, and a dirt floor.

Maison de Naissance addresses the needs of a safe, clean and assisted environment to give birth. With the assistance of trained local midwives and supervision by doctors at St. Luke's hospital, mothers and their children have a safer, better life. Something as basic as a safe birth requires special support in Haiti from organizations

like Maison de Naissance.

Please consider them for a donation when you think of mothers and their children. Donations can be sent to: Maison de Naissance, c/o Healthy Mothers-Healthy Babies Foundation, 6401 Wornall Ter, Kansas City MO 64113.

### A Pilgrim in Botswana, part 2

The Dean will share stories of his visit to our Companion Diocese.

February 8, 15

### Faith in Action and Daily Life

One of the challenges that Christians face is how to put the precepts of our faith into action in our daily lives. Join us on February 8 & 15 as we listen to the experiences of two young men, both members of the Cathedral, who could have put their respective college degrees to work in a variety of fields, but chose intentionally to make a difference in the community by engaging the non-profit sector.

On February 8 we'll have a chance to listen to Andrew Johnson, who works for Harvesters, the only food bank in Kansas City, and one of the chief suppliers of food for the Kansas City Community Kitchen. On February 15, we'll hear from Derek Hutchinson who is teaching fifth grade at Troost Elementary as part of the national TeachForAmerica program.

Both Andrew and Derek will reflect on the work they do and the challenges they face, and how their faith is formed and informed by their work.

February 22

### Pancake Breakfast

Gather with your fellow parishioners for some fun, fellowship, and mighty-fine pancakes, as we anticipate Shrove Tuesday (February 24), and help raise money and awareness for hunger ministries. Tickets are \$10 for individuals or \$20 for families.

## A party with a purpose

If you were to ask any member of the Social Action Committee to describe what their work is all about, you would probably hear something like this — “encouraging as much of the community as possible to become involved in helping other people in need.” And that is precisely what the Annual Chili Cook-Off is all about — community coming together to help others.

In this, our 16th year, we will again look forward to seeing all of you at our first party of the year, mingling great food, fun and friendship. The Chili Cook-off will take place in Founders' Hall Saturday, February 7 beginning at 6 p.m. — with facilities open earlier for the chili chefs to arrive and set up. Chefs, remember to bring your chili in a slow cooker or similar warming device to keep it hot. We'll supply the electrical cords — you supply the good eats.

There is plenty of opportunity to get involved, with prizes for eight different categories: Most Unique Chili, Best Presentation, Clergy's Choice, Best Vegetarian Chili, Best Small Group Entry, Best Tasting Youth Entry and Best Overall Youth Entry — and the grand prize for Chili Master. And groups at the Cathedral may challenge each other for the Best Entry by a Small Group. And yes, you may enter more than one chili (our record is three by a single contestant.) Of course, man and woman do not live by chili alone, so let us again give advance thanks for those who bring everything from cornbread to brownies and cookies.

Let us also not forget that this is a party with a purpose. Once again, two of the core ministries for the Cathedral will benefit from this event. The Rent and Mortgage Assistance Program, as you might expect, faces increasing levels of need.

# CHILI!

## Cook-off

**FEBRUARY 7**  
**6-9 p.m.**

In these tough times, financial emergencies hit families of the “working poor” with greater impact. And for dozens of families in the Kansas City community, this program has been the difference between being able to keep their home, and becoming homeless. In addition, though the Friends of MN at the Cathedral, the Maison de Naissance well-baby/well-mother programs in Haiti will also benefit. This island nation has one of the worst mortality rates in the world, and Maison de Naissance is an outpost of hope and care for many of these mothers.

One hundred percent of the modest entry fee for the event (\$10 per person or \$20 per family), plus any other donations, go to these two ministries, as do all of the proceeds from the silent and live auctions. Remember, Valentine's Day will be only one week later. And we have fine dining, the performing arts, chocolates, art glass, and more. Handy isn't it?

In this family-friendly environment, we will also have activities for both children and older youth, with child care available. Plus our Social Action Chefs will prepare some child-friendly food for those children that have not yet acquired the taste for chili.

So once again, welcome to the 16th Annual Chili Cook-off. Remember, it is you — the community of this Cathedral and your neighbors and friends — who make all of this possible.

## Road to Canterbury classes begin February 1

Same great class — now with a new name! It came to our attention that Journey of Faith describes what Christians, or those seeking to lead a Christian life, do day in and day out. As such, it seemed that perhaps the title for a class geared toward newcomers to the Cathedral and which focuses specifically on the Episcopal Church might benefit from a name that more specifically reflected that Anglican focus. To that end, Grace and Holy Trinity Cathedral is pleased to announce that the 8-week **Road to Canterbury classes begin**

**Sunday, February 1 at 9:15 a.m. and will continue each Sunday through March 22.**

Whether you are new to the Christian faith, the Episcopal faith tradition or are simply seeking a renewal as an Episcopalian, please join us. These classes also serve as our catechumenate for adults seeking the Rites of Baptism, Confirmation, Reception or Reaffirmation. These sessions will lay the groundwork to begin, or continue, a spiritual journey with Christ and the Cathedral community. This is an opportunity to learn about the Church and to become a part of our faith community through participation and fellowship.

To register, please contact the Rev. Canon Sue Sommer at [ssommer@ghtc-kc.org](mailto:ssommer@ghtc-kc.org) or by phone at 816.474.8260 ext. 107.

December 2008 was difficult at the Cathedral. Income was \$36,000 below budget with shortfall in pledges accounting for \$30,000 of the amount. Most likely the rapid downturn in the economy contributed to much of the deficit.

Expenses for December 2008 were \$10,000 over budget with most of the overage attributable to repairs. Year-to-date income was close to budget at \$8,000 under budget and expenses were about \$20,000 over budget.

Thank you for your financial support of the Cathedral in 2008.

# Meet your new Vestry members

## JOE FINNIE

Joe's involvement with Grace and Holy Trinity Cathedral stretches back more than 40 years. Currently he is engaged with the Vestry, Newcomers' Committee, Building and Grounds Committee, Golf Tournament Planning Committee and the Cathedral Strategic Planning Committee. He feels he has an ability to motivate and encourage people for good, enlivened by a genuine sense of humor. Joe's vision for the future of the Cathedral includes growth of membership and expanded program development, especially for singles, newlyweds and young families. He hopes to see Grace and Holy Trinity Cathedral become a focal point in more lives through programs and activities.

## JOSEPH LEWANDOWSKI

When asked, "Are you a detail or big picture person?" Joseph answers "yes." His position as Professor of Philosophy and Dean of the Honors Program at the University of Central Missouri brings him a wealth of experience in critical analysis of issues. He and his wife, Bridgett Owens, and son, Miles, have regularly attended the Cathedral for several years and became members in March 2008. Joseph currently serves as a homilist and leader in the Lambs Chapel. Looking to the future, Joseph sees the Cathedral positioning itself to be an outpost of opportunity for urban residents in need, and offering an increased level of social services and spiritual guidance in the community.

## CANDY MCDOWELL

Candy's earliest active involvement at Grace and Holy Trinity Cathedral was with the Altar Guild, a commitment that continues today and has included three years as Directress. She has also been involved in many other facets of parish life — serving as a choir mom, helping with Vacation Bible School, participating in the book discussion group, co-chairing the Every Member Canvass, co-chairing the Transition/Search Committee and serving on the Stewardship Committee and the Vestry. She presently volunteers in the Cathedral office, serves on the Budget Committee and attends Women's Bible Study. Candy's hope is for renewed commitment to our mission, not only with our lips, but in our lives.

## ANGELA MICHKA

Angela and her husband, Ron, became active members of the Cathedral in 1997. Her diverse activities include the Parenting Group, Moms' Bible Study, member and chairperson of the Guild of the Christ Child, the Vestry, the Dean Search Committee, Children's Formation and

a cook team for the Kansas City Community Kitchen. She is a marketing and communications professional and small business owner. Her vision is that we continue and expand our mission of outreach: to one another, to our community and to those in need around the world, with expanded programming and volunteer opportunities in a Cathedral that is fiscally sound and financially responsible.

## JOYCE MORROW

Since her confirmation in 1984, Joyce has been very active in children's and adult formation, Altar Guild, Women's Retreat Committee, Charitable Needlework and Gardening small groups and as Holy Hands coordinator. She attributes to her involvement in Education for Ministry her increased commitment to her church and her responsibility to act within it. Her vision is that we honor in our daily lives, individually and congregationally, our baptismal covenant. We will then be dedicated to increasing our presence in the urban and metropolitan environment as well as increasing the breadth and depth of our Christian commitment.

## BOB RICHMOND

Bob's involvement at Grace and Holy Trinity Cathedral encompasses 20 years as an adult server, past service on the Vestry and the Auxiliary Vestry, serving on the committee to interview applicants for holy orders, and the search committee for a youth minister. He cites his knowledge of parliamentary procedure and being a good listener as assets for Vestry service.

He would like to see the children's formation program expand and out-grow its home. His vision includes seeing an increase in adult attendance and an increase in the number of pledges of those attending. He states that, "I not only support the Cathedral mission statement, I voted for it!"

## PAT WOOLLEY

As a boy at the Cathedral, Pat served as an acolyte, and he maintained his Cathedral membership during his undergraduate studies. During his years of teaching biology in Colorado, Kansas and Missouri, he belonged to other Episcopal churches. Upon retirement in 2005, he and his wife, Kay, returned to Kansas City where he now is an adjunct professor at Rockhurst University and Penn Valley Community College. He has been Head Usher at the Cathedral since 2006, and is also involved in Eucharistic ministry and small group activities. When voicing his vision for Grace and Holy Trinity Cathedral, he emphasizes the need to strive toward supporting all aspects of the Cathedral Mission Statement.
