Vol. 82, No. 1 • January 2013

FROM THE DEAN Same Cathedral, New Domain

We're getting a new domain name. Soon our website will be kccathedral.org. Cathedral email addresses will be, name@kccathedral.org. The change is being made simply because it will be easier. Our current domain name, "ghtc-kc" has too many consonants! It is often a challenge to repeat them over the phone when giving the web address or an email. No more, "G" as in George, "H" as in Harry, etc., or explaining that the "dash" is a dash, and not a letter.

Do not fear as we make this change. For at least a year into the future, you will be able to send emails or get to our web page using the ghtc-kc addresses! Anything addressed this way will simply be routed to the new address. You will want to change the address in your favorites and contact lists. 2013 will provide a year of grace in which to make the shift.

Every New Year begins with a naming. In the yearly cycle of the Church or Christian Year, January 1, New Year's Day is the feast of the Holy Name of Jesus. It falls on the eighth day of Christmas. It marks the day when in accordance with the covenant of Abraham, Jesus, as a Jewish male child was circumcised and named (*Luke 2:21*). We marked that naming December 31 a celebration of Holy Eucharist on the Eve of the Holy Name.

The end of one year and the beginning of another offers a time for us to do some naming in our lives. Many of us anticipate the New Year by identifying the things we would like to change or accomplish in our lives. We make our New Year resolutions. It may be that such resolve lasts only for a short-lived season of hope at the outset of a new calendar year. But, this act of naming goals has a way of empowering us to do them. Often things really do change as a result of self-reflection and determination. Whatever the case, there is a naming that holds for each of us in the New Year.

You and I are named as part of a new and renewing domain. By water and the Word you and I are each brought into God's gracious rule through baptism. We are given a name and the new domain of Christ. By the name of Jesus you and I are commissioned to live and act in a way that says this is so every new year, every new day. At times it may seem that we are the same people we were yesterday. But, really we are part of a realm, a reign, a domain that challenges and changes us to live otherwise.

Happy and blessed New Year to all!

In this new year of grace, I am

The Way

Wednesdays, 6-8 p.m., Founders' Hall

February 6 through March 20

Persons new to the Cathedral, those desiring baptism, and those who would like to grow in their journey of faith are welcome to join in The Way, Wednesdays, February 6 through March 20, 6-8 p.m. in Founders' Hall.

The Way is for those who would like to understand what it means to follow Christ as part of the Cathedral congregation and as Christians in the Anglican/Episcopal tradition. Each evening includes a simple meal and table conversation. This is followed by teaching and/or presentations, and group discussion. Links are made between daily life and work and the worship and practice of the church. Emphasis is given to understanding what it means to live into one's baptismal promises. The evening concludes with quiet reflection and prayer.

Persons participating in The Way will be prepared for baptism or affirmation of faith at the Great Vigil of Easter, March 30. Questions? Contact the Dean's office: pdeveau@ghtc-kc.org.

Treasurer's Report

At first glance it would appear that both the actual income and the actual expenses diverged significantly from budgeted income and budgeted expenses in November. In fact, nearly all of the divergence can be attributed to budget revisions.

The budget revisions were necessary to bring our budget closer to balance and included transferring money from certain Cathedral funds to the operating budget and the reduction of expenses. The Vestry approved the budget revisions.

In order to end the year in a positive cash position the Cathed-

edral will need you to do what you have done in the past and bring your pledges current. Of course special gifts are very much appreciated.

—by Doyle White, Assistant Treasurer

Many thanks to all the volunteers who worked on making the Cathedral a special place this Advent and Christmas.

Half of the offering received at services Christmas Eve and Christmas Day was designated to be shared equally between the Kansas City Community Kitchen and Maison de Naissance. Thanks to your generosity, \$2106.21 will be sent to each ministry.

Join in the Harvest

Thank you to all who have made a commitment of support for the mission of Grace and Holy Trinity Cathedral in 2013. And thank you to all who are prayerfully considering what your commitment will be for the coming year! You may make your pledge either using the card that was sent to you in the mail, or by making your commitment using the Cathedral website: ghtc-kc.org. Additional pledge cards are available on the ushers' table and literature racks in the Cathedral.

Women's Retreat

The annual retreat for the women of the Cathedral will be February 8-10, 2013 at the Marillac Center of the Sisters of Charity in Leavenworth, Kan. Our theme this year is "What is Love? A story of devotion and service," based on the book *The Story of Ruth: Twelve Moments in Every Woman's Life* by Joan D. Chittister. The cost is \$150 per person for a single room or \$125 per person for a double room. A \$50 deposit is due with the registration. Register online: www.ghctc-kc.org/we-learn/womens-retreat.

The Marillac Center, established in the spirit of the Sisters of Charity of Leavenworth, provides an environment of prayer, peace, hope and transformation. In addition to walkways, lovely fountains and natural landscaping, the Center also has hotel-type rooms and hot tubs.

Whether you have enjoyed many previous retreats or will be signing up for the first time, save the date and make time to join us for this experience of reflection, fun, worship and renewal.

The Angelus

A laypersons' newspaper published in the interest of Grace and Holy Trinity Cathedral.

Julie Toma, *Editor*

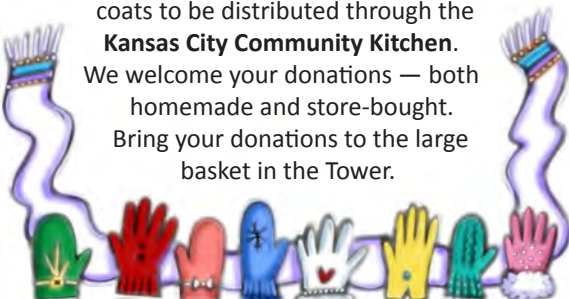

The Angelus Small Group is open to anyone interested in contributing (writing stories, taking photographs) regularly to *The Angelus*. No experience necessary.

Submissions from parishioners and small groups are welcome and encouraged. All entries are requested by the 15th day of the month prior to publication by e-mail to communications@ghtc-kc.org.

Hats, coats & gloves

We are collecting scarves, gloves/mittens, hats and coats to be distributed through the **Kansas City Community Kitchen**. We welcome your donations — both homemade and store-bought. Bring your donations to the large basket in the Tower.

Keeping the way clear

When using Cathedral spaces, here are some things to keep in mind:

- **Tower Doors** on Sundays and at other times when large groups are assembled in the Cathedral nave, both the east and north tower doors are unlocked. Please do not place any items (boxes, baskets, displays, tables, chairs, etc.) inside the north door. It must always serve as an EXIT.
- **Founders' Hall:** When setting up for events the west courtyard doors must be accessible should it be necessary to exit the hall quickly. At least one set of doors should be left unobstructed by tables, displays, chairs, etc.
- **Hallway at the West End of the Cathedral:** This hallway must be kept unobstructed at all times as it is an accessible entrance for persons using walkers and wheelchairs, and it serves as an EXIT. Nothing should be stored in this hallway.

Thanks for assisting with keeping our spaces safe and accessible.

Centering Prayer, Resting in God

Centering Prayer moves one toward the deepest level of relationship and intimacy with God. If you are interested in deepening your relationship with God, we invite you to join us during this Lenten season as we look at what it means to "go into your room and shut the door and pray to your Father who sees in secret; and your Father who sees in secret will reward you." (Matthew 6:6).

We will meet six Mondays, **beginning February 11**. If you are interested in knowing more about this Lenten study contact Jerry Grabher at jgrabher@ghkc-kc.org or 816-590-6205.

In the Next Pew

"In the Next Pew" is a regular column to help parishioners match names with the faces they see in the pews around them.

Robin Rusconi and Jae McKeown have three children, Liam (12), Connell (11), and Maggie (7). Robin and Jae have a long history with the Cathedral. They have been members for 19 years and were married here 18 years ago by Dean DeVeau. Liam is active in the youth group, and he and Robin serve as acolytes at the 10:15 service. Maggie sings with the Choraliers and attends Children's Formation.

Robin said they appreciate the sense of community present at the Cathedral and the way that their children, who are adopted, were welcomed with open arms. They also like the Cathedral's commitment to downtown and its residents. Robin works at Children's Mercy Hospital as Director in Research Administration, and Jae is a Business Analyst at Datacore Marketing. The family lives in Hyde Park.

Maison de Naissance Foundation and the Cathedral Friends of MN

Happy New Year! We thank all who have supported MN throughout the year both global and local. Year after year the Cathedral has generously given their support through monetary donations and our onesie project during Advent. This year the response to this Advent project was overwhelming assuring that all of the tiny recipients will be smartly clad in their new clothes.

The staff at the birthing home has continued their amazing work, surmounting many obstacles due to the ever increasing number of women and families using the services and Hurricane Sandy which provided some challenges. The staff works to deliver first class maternal health care services free of charge to impoverished mothers in rural Haiti.

Here are MN's clinical stats through October 31, 2012:

Reproductive Health (Family Planning) visits:	9151
Prenatal visits:	4851
Community Health Home Visits:	2863
Labor Patients:	693
Deliveries:	626
Emergency referrals to secondary facility:	67
Well baby visits:	1998
Prenatal HIV tests:	2015

Your generosity keeps the doors open and the midwives employed at the birthing home. You can support MN in the coming year by making a monthly donation, an end of the year donation, donating in someone's honor or memory, and by spreading the word about the good works provided at MN.

See what your donations can do for MN:

\$115	Cover the cost to deliver a healthy baby (prenatal, delivery, care, HIV/AIDS test)
\$775	Sponsor the salary of a nurse midwife (per month)
\$1171	Average cost of medical/lab supplies for one week
\$160	Sponsor a tubal ligation at a nearby hospital by visiting US physician/per patient
\$1500	Diesel for one month staff transport & emergency transfers
\$23,000	Sponsor one month of birthing center operations, outpatient, prenatal, postnatal, well baby, HIV care, family planning, community health visits, and deliveries

Thank you again for your support to ensure that the lives of as many mothers as possible can be saved, and their babies given a healthy start!

Donate diapers for children in need.

Imagine choosing between diapers and paying the electric bill. Or putting gas in your car. Chances are you won't face this scenario, but it's a common one for low-income families. Join us in alleviating situations like this by donating diapers or dollars to babies in need.

We are accepting all sizes (even open packs) but *especially need sizes 3, 4, 5 and pull ups.*

You can make a financial donation from their website — HappyBottoms.org.

Introduction by our new associate priest: The Rev. Christy Dorn

I feel honored to be joining the clergy staff at Grace and Holy Trinity Cathedral. Thanks to all for the very warm welcome you have extended to me and to my family over the past weeks. I'm enjoying meeting and getting to know so many of you. Hopefully I'll know you all very soon.

Our family—husband Larry and daughters Lia and Caroline—live in Overland Park. We moved here from California about a year and a half ago. We are enjoying getting to know the area and visiting local areas of interest. Lia and Caroline attend Notre Dame de Sion School, where Lia's a 9th grader and Caroline's a 5th grader. Larry is director of chaplaincy at Truman Medical Center.

Currently, my areas of responsibility here at the Cathedral include children and family ministries, hospitality and newcomers, as well as sharing in liturgical, pastoral and sacramental ministries with GHTC clergy. Several of you have asked me how I like to be addressed. Please feel free to call me by my baptismal name—Christy. If you have young children and would like them to include a title, then Rev. Christy or Pastor Christy is fine.

I hope you'll drop in to the office to say hello if you're in the area—I'm in the office on Mondays, Wednesdays and Fridays. I welcome your visit.

*Peace and Blessings,
Christy +*
