

GRACE AND HOLY TRINITY CATHEDRAL

Memorial Interment Garden

The Memorial Garden is located in the garden area of the courtyard, on the west side, adjacent to the Common Room. Ashes are interred in the opened ground without container and are covered immediately afterwards with soil. The full names and dates of birth and death of the interred are engraved on the capstones of the wall around the garden.

Those who can be interred include Cathedral members and their immediate family, including children and spouses; previous pledging members who have moved out of the Kansas City area; and special requests, which may be considered by the Dean and approved by the Dean and Wardens.

The cost for one interment is \$1,300. This price includes reserving a spot in the Memorial Garden and interment (\$800) and engraving 2 lines (\$500). Engraving will only be ordered and completed upon receipt of full payment. The funds are kept in an endowment fund for maintenance of the garden. A record of the purchase, along with the name placement on a reserved capstone, is kept in the Cathedral office.

Disclosure: Five names will be engraved on most capstones. The capstones are shared with other Cathedral member families unless a total of five names are paid for in advance to reserve the complete capstone.

Each inscription shall include only the full name and dates, i.e.

JOHN JAMES JOSEPH
DECEMBER 10, 1910 - AUGUST 03, 2022

The lettering will be in CAPS 3/4" high with a 1/2" space between the name and dates and then a 1" space between it and the next name.

Those who would like themselves or their loved ones interred in the Cathedral Memorial Garden should contact the Cathedral Administrator for interment location selection and to make payment arrangements.
