Lent & Holy Week at GHTC

Preparing for the Light

It always seems strange to me when Easter comes early. Not that what we do is any different, Lent is still as long as usual and Holy Week is what it is every year, but it is still a bit strange. Maybe it's because we just aren't ready for Lent to begin and, by ready, I mean not in the right mood to examine ourselves and prepare for Easter. I feel like Christmas just happened and I'm still putting things away. It's too soon ... and yet it is here. In liturgical time, I tend to think of Christmas and Easter—the two biggest feasts of the year—as being spaced out in equal time from one another, but that is never the case. Because Easter is based on the lunar cycle, it can be as early as March 22 and as late as April 25, a big difference. Easter will come on March 31 this year. If the saying is true that March “comes in like a lion and out like a lamb,” it seems fitting that the “lamb” coincides with Easter—even if it is early.

We will be offering Lenten programs again this year on Wednesday evenings from 6:30–7:45 p.m., followed by a joint service of Compline in the Nave. Our classes include a Lenten Journey with the *St. John's Bible* and a study on the Book of Jonah. Please read more about these classes in this edition of *The Angelus*. Wednesday classes will meet on Feb. 21, 28, Mar. 6, 13, and 20. Our observance of Lent will begin on February 14, Ash Wednesday, with three services being offered at 7 a.m., 12:05 p.m., and 7 p.m. for the imposition of ashes and Holy Eucharist. I hope you will come and join us this year as we move together on our journey through Lent to the joy of Easter.

Our services for Holy Week include our regular 8 a.m., 10:30 a.m., and 5 p.m. services on Palm Sunday and a 12:05 p.m. Holy Eucharist on Monday and Wednesday of that

week. Tuesday will be our Diocesan Chrism Mass and Holy Eucharist at 11 a.m. The Maundy Thursday service will be at 7 p.m. with foot washing and the stripping of the Altar. Good Friday services will be at 9 a.m., with communion from the reserved sacrament, and 12:05 p.m. Holy Saturday will begin with a 9 a.m. service followed by decorating the Cathedral for Easter. The Easter Vigil will be that evening at 7 p.m. followed by a reception in Founders' Hall. The Bishop will be with us at the Vigil for baptisms, confirmations, reaffirmations, and receptions. Easter Day will include two festive celebrations of the Holy Eucharist at 8 a.m. and 10:30 a.m. There will not be a 5 p.m. service on Easter Day. Please see the full schedule listed in *The Angelus*.

Easter may be early this year, so let's prepare ourselves to receive it soon. Lent is almost upon us, but the light of Easter will not be far behind.

—Dean Andy

Editor's Note

Looking Forward

Lent is almost upon us and it's one of those years where it feels like I haven't have a chance to catch my breath. From Christmas to preparing for the Annual Meeting and this issue of *The Angelus*, there has definitely not been a lot of downtime.

But I am looking forward to Lent and Easter and all that goes along with that.

(Especially the warmer weather!) There will be time for quiet moments that allow me to regain my focus. And there will be a number of fantastic events and classes offered at the Cathedral. You will find more details on all the offerings GHTC has coming up in this issue. I hope you take advantage and have a wonderful Lent and Easter.

Continuing Our Journey

It has felt very fitting to start a new ministry here at the Cathedral right at the start of a new church year with the first Sunday of Advent! It's been wonderful to learn about the life and worship of the Cathedral, to be so warmly welcomed, and to be able to experience the beauty of worship at the Cathedral during Advent and Christmas. I am looking forward to getting to know you all more as our ministry together continues to unfold.

Beyond my participation in the worship and communal life of the Cathedral I've also had the opportunity to offer a few adult formation classes and have been greatly encouraged by the

engagement, the thoughtful discussion and the openness to the Spirit that I have encountered in you.

Lent is now around the corner and as we discussed in our class on the church seasons, Lent is an especially opportune time to reconnect with God, to remove distractions and to take on new spiritual practices. We will have several opportunities for this work together. On the Sundays of Lent, we will have workshops on Anglican Spiritual Practices. This will be a time to learn about the foundational practices of our faith tradition, to try them out for yourself, and to then reflect on and discuss the experience with one another.

We will also be offering classes on Wednesday evenings in Lent, including a study of the Book of Jonah. Jonah is a short book and a familiar story but hidden within those pages are some very deep themes on the spiritual life! It will be an opportunity to see this story with fresh eyes, learn about the importance of the Old Testament, and discover what Jonah and the whale can teach us about our own relationship with God.

I am looking forward to continuing our journey together into the mysteries of Christ and pray that your Lent be a time of renewal, growth and discovery.

—Father James

Growth and Learning

This past year has been one of growth and learning, which began the first weekend in January, with the ordination of four transitional deacons, including the Cathedral's own Mtr. Brittany Sparrow-Savage.

We also had ordinations in June and July, including another one of our own members, Robin Rusconi. For each Ordination, I worked closely with the Diocesan Vocations Minister and the ordinands to develop the service according to their wishes and the Book of Common Prayer. I met with Holly, our Events Coordinator, to plan the reception and contacted the ordinand's home parishes for their participation as well.

Ordinations are a wonderful opportunity for members of the Cathedral to welcome and show hospitality to those from throughout the diocese. Each one of these services are one of the most important times in the life of the clergy member, and I am grateful to the many volunteers who step up to make the services a holy event. Moving forward, the plan is to have two ordinations a year, one in January and one in June or July.

March brought my graduation from Clinical Pastoral Education at St. Luke's, and my appointment as the diocesan intake officer. As Intake Officer, I am responsible for receiving and analyzing information if a clergy member is suspected of any kind of misconduct.

In June, I was elected to serve as a board member of Nourish KC and currently serve on the governance committee. I learn more every day about the many efforts towards food rescue in the Kansas City metro area.

As the contact person for those requesting assistance with rent or utilities, my involvement and attendance at the monthly Kansas City Human Services committee has opened doors within the community regarding options for those who may need more services than the Cathedral can provide. The Human Services Committee is just a part of greater Kansas City's Coalition to End Homelessness.

Birthday Gift Cards for Foster Children

Help a child in the foster care system by donating \$25 for a birthday gift card. These gift cards are given to children who do not receive any other gifts to celebrate their birthdays. In the past we have donated 40 gift cards each year, but with the growing number of children in the system, 40 gift cards are not enough anymore. Please consider this very special ministry of making children feel special on their birthdays. To contribute please mail your donation to the office or give **online**.

What a Year!

Wow! What a year for our young people at the Cathedral. In the last year, our Youth have developed deeper relationships with the Word of God during our Formation hours. We have been walking through Lectio Divina as a community each week with the Gospel reading so they can be more comfortable reading, wondering and discerning what God is calling them to pay attention to in their lives and how to grow deeper in the mystery of faith.

In January last year, I attended the FORMA conference, a Christian educators conference within the Episcopal Church and learned a great deal about addressing mental health within the context of faith-based communities. We addressed mental health in September during Suicide Prevention Awareness Month. I could not be prouder of our youth for taking this conversation seriously and pastorally. As members of the Body of Christ and here at Grace and Holy Trinity Cathedral, you should be proud of how you have cared for these young people. It is because of you all they were ready to receive this information and receive it with compassionate hearts.

We also had a presence at Mega Camp, an Episcopal camp run by the Diocese of Kansas. At Mega camp, young people, grades 3–12 (must have completed third grade) are welcome to attend a week of fellowship, formation and fun. One of the beautiful things about this camp is it truly is a place where you see young people digging deeper into

their faith and growing in skills and emerging as leaders. The Diocese of West Missouri will be supporting and sending youth again this year in partnership with the Diocese of Kansas. This year, the dates for camp are June 2–8 and they will take place at Camp Wood YMCA, Elmdale, KS. To learn more about Mega Camp, please contact me (cstern@kccathedral.org) and I will send you more information and a link to register.

After serving as the interim Children's Coordinator for several months, Dean Andy and the search committee for the Children's Coordinator position, extended an offer for me to become the children's minister on a permanent basis. This came after a five-month search process and meeting with several candidates. I have loved every minute of serving as the College, Youth and Children's Minister these last few months. The announcement came three days before my two-year anniversary at the Cathedral. You all have helped this College, Youth and Children's Minister grow in her faith as a Christian, a gift that is too great

In an effort to getting children more comfortable and involved in worship services, we are starting what we call Family Worship Weekends. This means that rather than having Cathedral Kids, after the formation hour at 9:15, parents/guardians/caregivers will come pick their child up from Haden at 10:15 am and worship together as a family.

We have added items (Pew Boxes) that will be placed in the back of the Nave for these Family Worship Weekends. Some of the item's children can take home, some we will ask that you leave in the box.

If you have any questions, please contact Clare (cstern@kccathedral.org)

for words. Thank you. Working with children regularly has been an immense joy. Having grown up with the Godly Play curriculum myself as a child, it is nice to come full circle being able to inspire wonder in our youngest leaders of the church as a storyteller of our most sacred stories. We have also introduced Family Worship weekends for the first time in recent history. Family Worship Weekends are a time when families are encouraged to attend the 10:30 service together. During these weekends, no Cathedral Kids will take place. This is an effort to get children more comfortable and involved in worship services. We also celebrated the baptisms of two of our newest children at the Cathedral on the January 7.

Flourishing

Our College and Young Adult Ministry continues to flourish. I frequently get requests from young adults to meet for coffee and learn more about Grace and Holy Trinity. Over the last couple of months, myself and members of the College and Young Adult Commission for the diocese, have worked to encourage college and young adults to attend the College and Young Adult Retreat at St. Augustine's. This will be the first retreat in quite some time to allow young people to rest, rejuvenate and reflect on their spiritual lives. This retreat will take place February 24 from 10 a.m.–4:30 p.m. at St. Augustine's Church. Lunch, snacks, workshops, time for prayer, silence and more will be offered. For more information, please contact me and I will send you more information and a link to register.

The All Things ... Episcopal Podcast continues to flourish! We are just shy of 2,000 downloads for the podcast and are now in ten different countries. This podcast has been a bit of a labor of love and a new way to minister to young adults. I have been deeply moved by the impact that it has had on people's lives.

Thank you all for a wonderful year and I cannot wait to see what we do in this next season at Grace and Holy Trinity Cathedral.

Continuing to Be A SERVANT CHURCH IN THE HEART OF THE CITY

Paper Drive

We all are looking forward to Valentine's Day which is also Ash Wednesday this year and the start of Lent. Many people associate Lent with giving something up, but it is also about giving. Through giving of ourselves and our resources, we deepen our relationship with our faith and live a more meaningful life.

This Lenten season outreach will sponsor a paper drive for Sheffield Place during the month of February.

In March the congregation will be assisting with family bags for backsnack students to take home over spring break on March 17. On Palm Sunday, March 24,

between services Easter bags will be assembled for the children at Crittenton, Camber Children's Center (KCK) and Sheffield Place.

Outreach will also be collecting food for Jewish Family Services Pantry in Brookside each week in March. The schedule for food donations are as follows:

- March 3—Canned Meat
- March 10—Canned Fruit or Vegetables
- March 17—Macaroni & Cheese and Packaged Mashed Potatoes
- March 24—Packaged Dessert Mixes

Outreach is exploring volunteer opportunities during Lent and would welcome any suggestions. Please contact Terri Curran tcurra2@yahoo.com or leave a message with the Cathedral office.

Le Consort, a one-of-a-kind chamber music ensemble, brings together four young musicians who interpret the trio sonata repertoire with enthusiasm, sincerity and modernity. From Corelli to Vivaldi, from Purcell to Couperin, the dialogue between the two violins and the basso continuo displays a wealth of contrasts between vocality, sensuality and virtuosity. Le Consort takes this genre, the quintessence of baroque chamber music, and interprets it with a personal, dynamic and colorful language. They are in residence at the Banque de France, the Singer-Polignac Foundation and the Abbaye de Royaumont.

The Haberdasher Prince is a new opera for families with music by

Rosebella Gregory and words by Dina Gregory. In a far-off land, a very musical king has a not-very-musical son. Everyone pretends to enjoy the prince’s terrible concerts, but a bold village girl refuses to play along. The king demands she be punished, but the prince shows mercy. Happily, the prince and the peasant girl devise an arrangement showcasing their true talents.

The performance will be immediately followed by group discussions to foster personal and meaningful connections to the art. Each attendee will receive an activity book inspired by the story to continue engagement at home.
